### **Circulators:**

A “circulator” is the person who witnesses and collects the petitioner’s signature or signatures on a recall petition. A circulator can be any eligible voter in the state of Wisconsin, or someone who would be eligible to vote in Wisconsin if they resided here. This means they are over 18 years old, a U.S. citizen, and not currently serving a sentence for a felony (including probation or parole). They do not have to be registered to vote or show identification.

Circulators can circulate freely in public and on public property; they may circulate on private property with permission. They may also canvass door to door, as collecting signatures is organized political activity—NOT solicitation.

A person can serve as both circulator and signer—they can witness their own petition. This means that someone can download the petition from the website ([www.recallwalkerhq.org](http://www.recallwalkerhq.org)) sign it as both a petitioner and circulator, and mail it in.

To be valid, the circulator’s certification requires four pieces of information on each petition that person has circulated:

- A signature or mark made by the circulator
- A viable house number and street address, or rural route (not a PO Box),
- A municipality of residence in the state of Wisconsin (the municipality in which they vote, which may or may not be the same as the one in their mailing address)
- The signature must be dated within the 60-day collection period and after the date of all petitioners’ signatures.

### **Petitioners:**

A “petitioner” is a person who signs the petition in one of the ten numbered spots, affirming that they support the recall of Scott Walker from the office of governor.

Any eligible voter in the state of Wisconsin can sign petitions. This means they are over 18 years old, a U.S. citizen, will have been a resident of the state for at least 28 days, and not currently serving a sentence for a felony (including probation or parole). They do not need to be a registered voter to sign—only eligible to register and vote in the next statewide election. Although voters will need photo ID to vote in Wisconsin’s elections in 2012, people do not need an ID to sign the petition

Each valid petitioner’s signature requires four pieces of information on the petition:

- A signature or mark made by the signer
- A viable house number and street address, or rural route (not a PO Box),
- A municipality of residence in the state of Wisconsin (the municipality in which they vote, which may or may not be the same as the one in their mailing address)
- The signature must be dated within the 60-day collection period

## Common questions potential signers may have...

- **Do I have to live in the State of Wisconsin to sign?**
  - Yes.
- **Do I have to be registered to vote to sign?**
  - No.
- **Who are you with?**
  - The Committee to Recall Walker
- **How does a recall election happen?**
  - The Recall Committee must collect signatures equaling 25% of the number of all votes cast for governor in the incumbent's district in the last gubernatorial election (540,208 signatures). These signatures must be filed with the Government Accountability Board within 60 days of the start of the recall effort.
  - Once the signatures are verified, a recall election is called, where the incumbent is automatically placed on the ballot (unless they file within 10 days that they do not want to be on the ballot) along with any candidate that qualifies to oppose the incumbent.
- **If I sign this petition, does it mean I have to vote for or against Governor Walker in a recall election?**
  - No. Signing simply says you agree that there should be a recall election. Signers are free to vote for whomever they'd like during that election.
- **If I have more questions about this recall, want to volunteer, or want to donate, what should I do?**
  - Visit [recallwalkerhq.com](http://recallwalkerhq.com)
- **What if I'm told I can't circulate where I am located, run into trouble with someone, or have a legal question?**
  - Please contact your local field office which can be found at [RecallWalkerHQ.com](http://RecallWalkerHQ.com)
- **Why are we recalling Scott Walker?**
  - <http://www.wisdems.org/RecallHQ/WalkerFailures>
- **Do I have to fill out all five lines on my petition before I submit it?**
  - No. You can turn in petition pages with any number of signatures on it, from one to the full set. Submit however many you get. Every signature counts.
- **Why are we recalling Scott Walker?**
  - See attached talking points.
- **Should the petitions be on legal size paper or 8 ½ x 11? Do they need to be a special color?**
  - It doesn't matter. The petitions that are available online are a different size (standard 8.5" x 11") than those being circulated by official field staff (legal size paper) which are sometimes in color. This is because most people have standard size white paper at home. BOTH FORMS ARE VALID AND HAVE BEEN APPROVED BY THE GOVERNMENT ACCOUNTABILITY BOARD. Please do not hesitate to sign either size paper.
